

### **MHP set to acquire Perutnina Ptuj after final clearance**

Limassol, Cyprus/Ljubljana, Slovenia, 15 February 2019

MHP SE (LSE: MHPC), a leading international agro-industrial group, has welcomed the decision by the Slovenian Competition Protection Agency to clear its acquisition of Perutnina Ptuj, a well-established international food-processing company and the most important and largest producer of poultry meat and poultry meat products in Southeast Europe.

The acquisition had already received clearance from regulators in Austria, Macedonia, Serbia and Romania. The deal will now be finalised at a meeting of Perutnina Ptuj shareholders in the days.
